X1 ∗	Comment. The sections of the VP Lain Administration, Air, which reportedly moved from Ferlin-Johannisthal to Kamenz probably was the Hq of the lat VP Air Div	Š.
V4 × v	which is believed to have been activated in that main administration. Comment, The data on the organization of the 1st VP Air Div agrees with	
X1 🗺	organism information, It is believed that the regiments of this division officially	À
	still consist of companies, in accordance with the organizational set—up of VP schools. It is probable that a radar section is attached to the division head-	
V4	quarters because pilots must be trained with radar equipment.	
X1 ***	regiments of the VP air division are temporarily assigned to the VP Lain	
	Administration, Air, before being sent to their regiment,
